Ann Ranson

Speaker | Coach | Facilitator

Works with professional women who want to align purpose and performance

What my Clients Say:

"The work you do to help the world become a more civil place, where people can really know, grow, and show their talents is needed now more than ever. Keep up the great work!!! "

Candace L. Fitzpatrick, MBA, CSP
Founder & CEO, CoreClarity, Inc.

" Ann Ranson is one of the finest in strategic thinking for today's organizations. Her clarity, precision and research helped our board of directors come to consensus on some difficult decisions. I highly recommend Ann… "

Dawn Jantsch, APR, CAE
Executive Director, Choristers Guild

"I had the pleasure of moderating one of Ann's events and was extremely impressed with her grace and ease as a presenter. Ann was so engaging and knowledgeable that I found myself hanging on her every word."

Kendra Matarozza, Event Manager
CommPartners, LLC

Post-Program Offerings

- Integrate outcomes and leverage Strengths with follow-on individual or group coaching.
- Training & implementation for teams/small groups.

Both programs support professional women in sustaining performance, confidence, and contribution — without burnout or unnecessary pressure

Reimagining Success: Aligning Purpose & Performance

- Increase engagement through tools that reconnect people with their purpose and the contributions they want to make
- Clarify priorities by aligning time, energy, and resources around what matters most
- Improve performance without burnout by integrating purpose, people, and practical decision-making.
- Reduce friction and build trust through clear expectations and shared agreements.
- Strengthen accountability and follow-through across teams

Celebrating Age: Sustaining Impact, Confidence, and Contribution

- Reframe their relationship with aging to strengthen leadership presence
- Claim greater self-permission to evolve roles, pace, and priorities
- Apply tools to sustain energy, focus, and engagement without burnout
- Demonstrate value through perspective, judgment, and steadiness
- Strengthen trust during transition and change

Programs are available

- Live or virtual
- One hour keynote, breakouts to half-day workshops
